

Instructional Strategies — How to Teach for Rigor and Relevance

A Resource for Staff Developers, Teacher Educators, and New and Experienced Teachers

This professional development resource kit includes a complete course guide (394 pages) for improving teaching and learning by using a variety of instructional strategies. The kit exposes workshop participants to ideas that can help them become better teachers, so that their students become better learners. It includes:

- An overview of each strategy
- Lesson plans for the strategies
- Tips and techniques for using each strategy
- Staff development workshop outlines on each strategy
- Workshop materials – Handouts and CD-ROM with visuals

The **Teacher Handbook** is a 200-page guide to using each instructional strategy. It is ideal for new teachers and for experienced teachers who wish to do a better job of facilitating student learning. It is also an excellent resource for teacher preparation programs and for teachers engaged in school change, such as focusing on new tests or teaching on a block schedule.

Every teacher should have a copy of the **Instructional Strategies Teacher Handbook** in the classroom.

Includes
**one Teacher
Handbook.**
